Academic Performance Scholarship

CHU MAN TING

Associate of Science in Business Analysis

Man Ting's Semester GPA in this College has always been at the high range and it exceeded 4.0 in the latest semester. According to her teachers, Man Ting is very attentive in the lessons and always ready to answer questions with high accuracy in class. She has been placed on the Principal's List and awarded this scholarship. Man Ting is likewise serious in her choice of extra-curricular activities. She is a student member on the College's Quality Assurance Committee. This experience, as she said, has not only given her insights into the College's mechanisms for ensuring high academic quality which have strengthened her confidence in studying in the College.
